

Rudolph, the **red-nosed** reindeer
had a very **shiny** nose.
And if you ever saw him,
you would even say it glows.

All of the other **reindeer**
used to **laugh** and call him names.
They never let poor Rudolph
join in any **reindeer** games.

Then one foggy Christmas Eve
Santa came to say:
"Rudolph with your nose so bright,
won't you **guide my sleigh** tonight?"

Then all the reindeer loved him
as they shouted out with **glee**,
Rudolph the **red-nosed** reindeer,
you'll go down in history!
